

Flash Cruise to South River

Saturday August 19 to Sunday August 20

The cruise notice was sent out on Friday morning to the membership and 2 parties responded to the cruise captains.

Cruise Participants:

Carl Aubele (singlehanded) on *Sur le Mar*

Phil & Meg Nyborg on *Makani*

Mark & Marty Fancy, cruise captains on *Fancy Free*

We each left our docks around noon. Great wind 13-15 with some 16-18 periods, steady but not gusty. After sailing about 4 hours on our own, we individually headed into South River to anchor off Lukens Cemetery. All anchored around 4 and happy hour was at 5 on Nyborg's *Makani* (with the biggest cockpit). Then back to our own boats for dinner. Sunset was pretty and temps were cool enough to be comfortable sleeping on the boat. We each enjoyed a leisurely breakfast with visit from a large pod of dolphins. Each boat left the anchorage at different times to spend more time sailing or to head back home.
