

The Full Moon cruise to South River was a great time. The nice weather put everyone in a good mood. A total of 12 boats came out for the fun. Tom and Diane Carbone, together with Rick and Sue Fears came on the Jupiter to host the cruise. Other SCOO sailors who came out were:

LuAnn & Ken Roberts	Godspede
Jack & Joan Edwardson	Miss Addy
Bill & Mary Misenheimer	Barefeet
Carl Aubele	Sur la Mer
Charles & Anne Stackhouse	Katherine D
Don Rockwell & Diane Lemieux	Sea Scamper
Bradley May & Ronnie McCay	Decompression
Ray & Kathy Rupert	Knot Too Fast
Carol & Joe Glorioso	Out of the Blue
George & Marjorie Dufek	Andiamo
Paul Brabant	Shorebird

Your Cruise Captains would like to give a big thanks to Andiamo.... George and Marjorie, we couldn't have done it without you. Thanks for sharing your beautiful boat with the club for this event.

There were raftups everywhere in Southwest Creek, the festivities started around 4pm, with a 'guess the gems' game. After some really close guesses, Don Rockwell and Diane were the closest -- Winners!

There was also a Full Moon Quiz about movies and music and moonstuff. George and Margarie Dufek aced it -- Winners!

The winds were light, and the sky clear as we gathered on Jupiter and Andiamo for dinner. So much good food was brought by everyone, it was delicious.

The Full Moon came up big and bright, and it was like a light was shining into Southwest Creek. Really beautiful stuff. We were blessed.
